

BRADLEY JOSHUA KHAN

(868) 374-4902 | khan.bradleyjoshua@gmail.com

Summary

Currently a final year student pursuing a BSc Computer Science (Special) Degree.

I am eager to secure a challenging position within a reputable organization, where I can further expand my learning, knowledge, and skills. I am seeking a career opportunity that will allow me to fully utilize my training and expertise while making substantial contributions to the company's success. As a highly organized and diligent individual, I am actively seeking a position where I can gain practical experience and continue to develop professionally. My focus is on delivering exceptional standards and service, with the aim of cultivating a friendly and nurturing personality.
